Mr Lim is a committed and dedicated teacher who makes chemistry a joy to learn. His methods has helped me to remember and apply concepts easily and accurately. His eye for details helped me address my weak points and potential error spots and this helped me a lot in my exams. Mr Lim is well versed in the syllabus, and his extensive experience and resources has helped me in preparing for my exams. Mr Lim is not only a dedicated and knowledgeable teacher, he also cares for his students. He gives me the added push and motivates me to do well. I am thankful to have found Mr Lim to coach me in my Chemistry.

CHEMISTRY IMPROVED FROM U GRADE DURING MID YEAR TO B GRADE DURING END OF YEAR

[25/11/2019] Tuition Caleb Mum: Mr Lim is a wonderful teacher that has helped me tremendously in my chemistry. His teaching methods allow me to better understand the subject in a fun and exciting way. He cares for each of his students, helping me late to the night to prepare for my examinations. Moreover, his strategy allows me to grasp the answering techniques that are required by the examiners. Finally, his pedagogy allows me to memorise chemistry with ease and I am sure he can help you too!

Sec 4 student from Maris Stella (able to achieve top in level for overall in chemistry in 2018 in sec 3 and 3rd in cohort in 2019 for prelims exam in sec 4)

Mr Lim is very knowledgeable and teaches my son all the different techniques to all the chemistry theories. This allows my son to build up his confidence in answering the questions. **Tuition Caleb Mum: Parent's view : [25/11/2019]**

Mr Lim has been very patient while teaching me. He uses very efficient methods to help his students remember concepts and has helped me to improve my time management as well. He has given me a clearer understanding of concepts and increased my interest in learning chemistry and my confidence in handling chemistry questions has increased. - **Rachel from SAJC JC2 2019 student after her A level examinations.**
